Company: **GXProfiles SK s.r.o**
Invoicing address: Továrenská 3196, 018 61 Beluša, Slovak Republic
Factory: Továrenská 3196, 018 61 Beluša, Slovak Republic
IDN: 50596454
VAT: SK2120388666

The Manufacturer declares and confirms his exclusive responsibility that metal and plastic profiles for the External Thermal Insulation Composite System (ETICS), dry construction system, plasterboard construction system and for the external and the internal plaster system of following type:

1. Profiles for finishing of openings of building construction (window, doors):

- Cleaning window profiles with/without mesh, both dim. 6 and 9 mm
- Cleaning window profile with/without mesh with protective lamella, both dim. 6 and 9 mm
- Cleaning window profiles with co-extruded mesh, both dim. 6 and 9 mm
- Plastic window – dripnose profile with mesh
- Plastic window profile with mesh and foam tape – under window-sill
- Plastic window – dripnose profile with mesh – profi

2. Corner profiles

- Plastic corner
- Plastic al rounded corner profile/with mesh
- Plastic corner with mesh
- Plastic arch corner/with mesh
- Plastic PVC corner for wet plaster
- FeZn corner for wet plaster
- Flexible corner profile PVC
- Aluminium corner profile
- Aluminium al rounded profile
- Aluminium al rounded corner profile
- Aluminium profile 135 °

3. Dilatation profiles

- Running dilatation plastic profile
- Corner dilatation plastic profile

4. Other profiles

- Drip ledge for base socle profile with mesh

- Bordering profile PVC for plasterboard/with mesh
- Al Base socle profile
- Plastic base socle profile
- Drip ledge for base socle profiles
- Connecting piece of socle profiles PVC
- Spacers pad under socle

meet the requirements and features according to the above listed restrictions and are determined for using in construction industry.

The manufacturer, GXProfiles SK s.r.o. took measures (own procedures) through which the producer ensures conformity of the products sold in the market with the technical documentation and with the basic requirements.
